

Dear Friend and Supporter of St. Joseph School,

Through our focused and rigorous curriculum at St. Joseph School, students are challenged to achieve their full potential. We work in partnership with families to prepare our youth to be leaders in our community working for the common good while embracing the rich traditions of the Catholic Church. Like you, we have high expectations for ourselves and our students in the areas of faith formation, social development and academic achievement. We believe strongly that St. Joseph School prepares our students for success beyond our doors. Our teachers and administration are deeply invested in growing and challenging our school to continually provide a solid

and rigorous academic experience for our students.

We are currently making plans for the **2<sup>nd</sup> Annual St. Joseph School Gala**. This evening will be our biggest fundraiser of the year, and it enables St. Joseph School to offer its high standards of Catholic education for approximately 240 students in Pre-School through eighth grade.

On Saturday, April 14<sup>th</sup>, 2018 we will hold a dinner event at the Church of St. Joseph beginning at 6pm. Proceeds from the Gala will go directly to the cost of educating the students. It is with this in mind that we are asking for your help in the form of Gala sponsorship.

The goals of our fundraising efforts are simple...to improve the educational experience of our school population. Last year, our Gala event earnings bolstered our technology and scholarship budgets. This year we plan to focus the funds toward continued technological expansion and teacher training, anticipated student population growth and classroom expansions as well as dedicated support for our scholarship fund.

In addition to supporting our school and community, your tax-deductible donation delivers your company name to families committed to supporting like-minded local businesses throughout the year.

Sponsorship of our Gala event is a valuable investment in the future of our school and greater community. We are grateful for your support of St. Joseph School and our fund development efforts. Please find the Sponsorship levels and paperwork below.
