

### Home & School Association Quick List of Events 2019-20

The St. Joseph School Home & School Association (HSA) includes all families and coordinates events throughout the year focusing on Community Building, Student Enrichment, and Fundraising. Meetings are led by the HSA Committee, Kelly Roche and Sheila Swift, and are held throughout the year (every other month) to plan events on behalf of the school community. They are open to everyone – please join us! Invitations to volunteer are sent throughout the year from the HSA, teachers, and staff.
