Dear Families,

As you know, the annual Catholic School Raffle through our partnership with Catholic United Financial is underway. Catholic United Financial has fully funded the Catholic Schools Raffle for thirteen years now and has been able to continue this through new member generation. Consider becoming a Catholic United Member and help continue the Catholic Schools Raffle for years to come! This year, there are some exciting opportunities being offered for our students and school community.

New Top Seller Prize — Baby Yoda Lego Set & \$500 (Catholic United Financial Member) or \$200 (non-member) tuition drawing. If your student is the top seller for our school, they will win a Baby Yoda Lego Set and be entered into a random drawing with the other raffle school's top winners to receive the prize credited to their tuition from Catholic United. Must become a Catholic United member by March 7, 2022, to qualify for the member credit. Funds are limited, thus the drawing.

Raffle Top School Grant. The top three schools with the most new members (minimum of 10 new members to qualify) will receive a \$3,000 grant. An easy way for school families to support the school and become a member of a mission-driven company.

PreK-12th Scholarship Available. Every student that becomes a member immediately qualifies for a PreK-12 Scholarship from Catholic United's popular post-secondary scholarship program. If awarded, the \$500.00 can be applied to tuition for the next school year. There are limited funds dedicated for these scholarships and are available on a first come, first serve basis.

Example of how it works for a child age 7 to 12:

Purchase a \$10,000 Single Premium Youth Term Policy for a one-time premium of \$210. Visit

<https://www.catholicunitedfinancial.org/youth-policy-online>

Qualify for a \$500 tuition scholarship for next year. If the child does not get the scholarship, they can apply in future years or wait until the normal scholarship opportunity after high school.

If the child is a top seller, they will be entered into a drawing to receive a \$500 scholarship (if a member).

If our schools one of the top 3 schools with the most new members, we will receive a \$3,000 grant.

This grant is very achievable; last year, the new member grants went out to schools with 10-15 new members.

This is a great opportunity to benefit you, your child, and our school community. Please reach out to your local Catholic United representative for questions.
