

Dear St. Joseph School Supporter,

We are currently making plans for our 6th Annual St. Joseph School Gala, *Hollywood Nights*. This evening will be our biggest fundraiser of the year and it enables St. Joseph School to offer its high standards of Catholic education for approximately 291 students in preschool through eighth grade. Proceeds from the Gala will go directly to the cost of educating the students. It is with this in mind that we are asking for your help in the form of an event sponsorship.

On Saturday, April 30, 2022 we will hold a fundraising dinner at the Church of St. Joseph. The goals of our fundraising efforts are simple... to improve the educational experience of our school population. Last year our Gala event earnings bolstered our technology and scholarship budgets. This year we plan to focus the funds toward continued technological expansion and teacher training, anticipated student population growth and classroom expansions as well as dedicated support for our scholarship fund.

Through our focused and rigorous curriculum at St. Joseph School, students are challenged to achieve their full potential. We work in partnership with families to prepare our youth to be leaders in our community working for the common good while embracing the rich traditions of the Catholic Church. Like you, we have high expectations for ourselves and our students in the areas of faith formation, social development, and academic achievement. We strongly believe that St. Joseph School prepares our students for success beyond our doors. Our teachers and administrators are deeply invested in growing and challenging our school to continually provide a solid and stimulating academic experience for our students.

Our fundraising goal for the Gala is \$50,000. As a prominent business within our community, we are asking for your support of St. Joseph School as an event sponsor of the Gala. In return for your support, St. Joseph School will promote your company as an official sponsor through event materials and social media blasts. In addition to supporting our school and community, your company name will be delivered to families committed to supporting like-minded local businesses throughout the year and you will have the opportunity to reach a new network of potential customers. Please find the sponsorship levels and benefits enclosed. For any questions or assistance, please contact our Gala Committee via email gala@stjoesapps.org. We are grateful for your support of St. Joseph School and our fund development efforts. Thank you in advance for your generosity.

Sincerely,

Kelly Roche, Principal
