

Winter 2023 Conferences Sign Up Links--February 6th and 7th, 2023

Please find your child(ren)'s teacher below. Click the link to the right to find each teacher's conference sign-up availability. If you cannot find a time that works for you, please contact that teacher directly to set up another time to meet via Zoom or in person.

You can choose a **virtual** conference or an **in-person** conference when you set up your conference time. If you choose a virtual conference, please ensure you have a Zoom account. It is free to create at [Zoom.us](https://zoom.us). You can download the App on a phone or tablet or use on a laptop/desktop.

After signing up, you will be sent an email with the option to add the zoom meeting as an event to your calendar. You can also add the event directly after signing up on the last page. You can also find the link in the email confirmation.

For **MIDDLE SCHOOL STUDENTS**: Please sign up for a 10 minute time slot **PER** student (i.e. if you have 2 middle school students, please sign up for 2 slots per teacher you wish to meet with). Also, please sign up for each middle school content area teacher you would like to meet with. Mrs. Roche also has sign up availability--please see the link below.

Please email school@stjosephcommunity.org if you have any questions!
