

Dear Parents,

Have you heard? Box Tops for Education® is still a vital program! Box Tops is an easy way for parents to get involved in their child's education. Just by purchasing Box Tops products, and scanning your receipt through the app, we earn cash for our school. You can find Box Tops on hundreds of your favorite products! Check out the current list on [our website!](#)

St. Joseph School uses these funds to enrich both students and staff.

Box Tops has evolved from the clipping that you remember as a child. The program is now app based and can be done as easy as taking a picture on your phone! Download the app, buy the products, and scan your receipt! That is it!

To get started:

- **Look for participating items:** <https://www.boxtops4education.com/s/box-tops-products>

 - o Create an account and add our school (search 55068 to find St. Joseph School)
 - o It's as easy as: open the app, tap the "scan" button and photograph your receipt.
 - o Note: you must scan your receipt within 14 days of purchase
- **Start scanning!**
- **Spread the word!** The Box Tops app makes it easy to invite friends to support our school with just a touch of a button. The more people that participate, the bigger difference you can make for teachers and students at our school (and make sure they give credit to your grade of choice).
