Dear St. Joseph School Supporter,

As a prominent business within our community, we ask for your support of St. Joseph School as an event sponsor of our annual Gala. In return for your support, St. Joseph School will promote your company as an official sponsor through event materials and social media blasts. In addition to supporting our school and community, your company name will be delivered to families committed to supporting like-minded local businesses throughout the year. You will have the opportunity to reach a new network of potential customers. Please find the sponsorship levels and benefits enclosed.

This year's "Boots and Bling Wild West Gala" will help us raise the necessary funds to benefit over 300 students of St. Joseph School directly. Our school continues to grow as we serve preschool - 8th-grade students and add classrooms to support the needs of our growing community.

The Gala is Saturday, April 13, 2024, where we will hold a fundraising dinner at the Church of St. Joseph. Our funds raised directly support our school's most significant assets--our students and teachers. We aim to raise \$70,000, impacting every aspect of each student's experience inside and outside the classroom. The money raised is crucial; it allows St. Joseph School to provide superior faculty, individual attention, and state-of-the-art technology. It will also help maintain our beautiful campus and robust faith-filled environment.

For any questions or assistance, please contact our Gala Committee via email at [gala@stjoesapps.org](mailto:gala@stjoesapps.org) or by calling 651-423-1658. We are grateful for your support of St. Joseph School and our fund development efforts.

Sincerely,

*Kelly Roche*

Principal
